

# Mineral Spirits, Type I

stoddard solvent; white spirits

## WARNING! FLAMMABLE!

### Emergency Overview:

Clear, colorless liquid with a kerosine odor. Irritating to the eyes/skin. Also causes: headache, dizziness, drowsiness. Chronic: dermatitis; possible liver and kidney damage based on animal studies. Flammable. Can form explosive mixtures in the air.

**Precautionary Measures:** Avoid exposure to skin. Wear protective clothing: Goggles, Gloves, Apron.

**First Aid Procedures:** Inhalation: Remove to fresh air and support breathing as needed. Eyes/Skin: Remove contaminated clothing. Flush eyes with plenty of water for at least 15 minutes. Thoroughly wash skin with soap and water. Ingestion: Do not induce vomiting! Consult physician.

**Fire Procedures:** Flammable. Use water as fog, dry chemical, carbon dioxide or foam.

**Spill Procedures:** Notify safety personnel, isolate and ventilate area, deny entry, stay upwind. Shut off ignition sources. Absorb with inert material such as earth or vermiculite. Cleanup crew should protect against exposure.
