For Printing on Avery 6873

Hydrofluoric acid

DANGER

Fatal if inhaled, if swallowed, or in contact with skin. Causes severe skin burns and eye damage. Effects may be delayed. Do not eat, drink or smoke when using this product. May be corrosive to metals.

PREVENTION

Do not breathe mist or vapors. Use only outdoors or in a well-ventilated area. Where exposure limits are exceeded, wear respiratory protection. Do not get in eyes, on skin, or on clothing. Wash skin and eyes thoroughly after handling. Wear protective gloves and clothing, and eye and face protection. Keep only in original container.

RESPONSE

Immediately call a doctor or other medical personnel.

If swallowed: Rinse mouth. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **If on skin (or hair):** Take off immediately all contaminated clothing. Wash skin with water or shower. Wash contaminated clothing before reuse. Contaminated skin must be treated with calcium gluconate solution. **If inhaled:** Remove person to fresh air and keep comfortable for breathing. Absorb spillage to prevent material damage.
