

PCB's

**arochlor; chlorinated biphenyls; chlorinated diphenyl;
chlorinated diphenylene; phenoclor**

WARNING! COMBUSTIBLE

Emergency Overview:

Oily liquid, white crystalline solid, or hard resin. Severely irritating. Suspect cancer hazard. Chronic: chloracne, GI disturbances, neurological symptoms, liver enlargement, menstrual changes, bronchitis. Possible reproductive and teratogenic effects.

Precautionary Measures: Avoid exposure to skin. Wear protective clothing: Goggles, Gloves, Full Suit, Boots.

First Aid Procedures: Inhalation: Remove to fresh air, support breathing. Eyes/Skin: Remove contaminated clothing. Flush eyes with medical grade mineral or olive oil followed by plenty of water. Thoroughly wash skin with soap and water. Ingestion: Do not induce vomiting.

Fire Procedures: Combustible. Use water as fog, dry chemical, or carbon dioxide. Do not scatter with a high pressure water stream. Firefighters should protect against thermal decomposition products which are more toxic than PCBs themselves.

Spill Procedures: Notify safety personnel, isolate and ventilate area, deny entry, stay upwind. Shut off heat and ignition sources. Take up with inert material such as sand or vermiculite. Cleanup crew should protect against exposure.

CAS No. 1336-36-3
