For Printing of Avery 5163

Diesel Fuel Oil (No. 2)

DANGER

Flammable liquid and vapor. Harmful if inhaled. Causes skin irritation. May be fatal if swallowed and enters airways. May cause drowsiness or dizziness. Suspected of causing cancer. May cause damage to thymus, blood and liver.

PREVENTION

Keep away from heat, sparks, and open flames. — No smoking. Keep container tightly closed.

Do not breathe vapors. Wash hands and any other contaminated skin thoroughly after handling. Wear protective gloves. Use only outdoors or in a well-ventilated area.

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

RESPONSE

If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting.

If inhaled: Remove person to fresh air and keep comfortable for breathing. **If on skin (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower and soap, if available. Wash contaminated clothing before reuse. If skin irritation occurs: Get medical attention.

If exposed or concerned: Get medical advice. Call a poison center or doctor if you feel unwell.

In case of fire: Use foam, water spray or fog. Dry chemical, carbon dioxide or sand may be used for small fires only. Do NOT use water in a jet.
