

Methyl ethyl ketone (2-butanone)

DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness.

PREVENTION

Keep away from heat, sparks, and open flames. — No smoking. Keep container tightly closed.
Avoid breathing vapors. Use only outdoors or in a well-ventilated area. Wear eye protection.

RESPONSE

If on skin: Take off immediately all contaminated clothing. Rinse skin with water.
If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a doctor if you feel unwell.
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.
In case of fire: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide for extinction.
